Ottawa
Section

The Faculty of Engineering and Design in co-operation with IEEE
Ottawa Presents

From Innovation to Enterprise:

*Opportunities, Risks and the Evolution of Information
Technologies*

Wednesday, September 16
5:00 - 7:30 PM

River Building, Atrium and Conference Rooms 2224–2228
Carleton University, 1125 Colonel By Drive, Ottawa, ON

Join for a special panel discussion on the evolution of information technologies. Hear from leaders of industry as they discuss the roles that information technologies play in the worlds of e-commerce, cyber-security, and healthcare. A reception will follow the speaker discussion.

Special Guest Speakers:

John Duff - Director of Engineering at Shopify

Mike Abbott - Partner at Deloitte

Suzanne Rochford - Director of User Centered Design, TELUS Health

LIMITED CAPACITY - Registration Required, First-Come First-Serve Basis
