WIE IEEE - WIL - WISE Book Club Session: Personal Growth

Please join us for a Book Club meeting conducted in a cosy downtown café.

We are delighted to launch a Book Club co-organized by the three societies mentioned above. This is going to be the second Book Club meeting focused on the theme, *Personal Growth*. Two speakers will present books they have selected that symbolize personal development. This will be followed by an informal discussion of each book.

Theme: Personal Growth

Confirmed Presenters:

1. Yanina Shevchenko, book by Malcolm Gladwell 'Outliers'.
2. Nazira Usupova, book by John Kehoe 'Mind Power into the 21st Century: Techniques to Harness the Astounding Powers of Thought'.

All Book Club participants are encouraged to read the selected books in advance, however; the books will be discussed in such a format that does not assume you have read the book.

Date: November 26, 2009

Time: 6 pm - 8 pm

Location: The Tea Party café, 1-119 York St., www.teaparty1.com

Please RSVP as soon as possible at wie@ieee.carleton.ca or at WILcarleton@gmail.com, since there are a limited number of seats available.
